NAMIB PARK excursion

This excursion will take you to the central Namib Desert, in the Namib section of the well-known park NAMIB NAUKLUFT. Your guide will give you general information about Namibia as well as specific details on the visited areas. To avoid too much driving, we advise you to choose between different places in the park : Bluetkopje, Homeb or Mirarbib. We like to make time for you to take pictures and have a nice lunch under a tree or a natural cave.

The tour covers the following themes:

- Gravel Plains
- Lichen fields
- Coastal or Kuiseb Dune belt
- Breathtaking landscapes
- Desert Flora
- Desert fauna (springbucks, ostriches..)

The rate includes :

- Guide, vehicle and fuel
- Lunch pack and soft drinks
- Park entrance fees
